Subject : Computer and Information Technology Council (CINTEC) of Sri Lanka Act.

The Legal Draftsman's Office transmitted the final draft of the above Act to me two days ago. I have reviewed the draft and have found it to be consistent with the directions given by your Excellency and the Cabinet based on the recommendations contained in the original report prepared by the National Computer Policy Committee. The draft Act also incorporates the amendments suggested by the Minister of Education, and has been cleared by the Attorney General's Office.

I have passed on the file to Mr. S.M.L. Marikkar, Additional Secretary, Presidential Secretariat for appropriate processing, prior to presentation to the Cabinet and the Parliament for enactment.
