# 12TH NATIONAL COMPUTER CONFERENCE AND EXHIBITION

The 12th National Computer Conference and Exhibition Organised by the Computer Society of Sri Lanka on the theme 'IT Strategies Towards the Year 2000' was held at the Colombo Hilton from 7th to 9th February, 1992. Hon. Ranil Wickramasinghe Minister of Industries Science and Technology was the Chief Guest who handed over the Membership Certificates and the Certificates to the members of the Sri Lanka Schools Software team 1991.

The Secretary General of the South East Asian Computer Confederation Mr. Robert Iau was here on our invitation to address the participants.

The President in his address stressed that priority should be given to Information Technology and requested all concerned to work together to harness the potential benefits that we could derive from Information Technology
